Dear Marlene:

Request for Waiver - CC Docket No. 02-6 and CC Docket No. 96-45

Company Name: Lake County High Schools Technology Campus

Billed Entity Name: Lake Co High Sch- Tech Campus

Form Application Number: 471

Billed Entity Number: 135242

Name: Joanne Hughes

Address: 19525 West Washington Street, Grayslake, IL 60030

Telephone Number: 847-543-6045

Fax Number: 847-223-7363

Email Address: jhughes@techcampus.org

Reason for Waiver Request:

The deadline was missed for the Form 471 for the 2006 – 2007 filing window, because of extenuating circumstances. The Director of Technology was out on medical leave so the form was not submitted for the Lake County High Schools Technology Campus (LCHSTC) for the Funding Year 07. It is my responsibility to complete the forms and due to my medical leave it was not completed. I do not want the LCHSTC students and stakeholders to lose the E-rate funds, because of my tardiness of the form submission. The LCHSTC has received E-rate funds in the past with no problems. The LCHSTC has a current Technology Plan and meets all other requirements to receive E-rate funds. The LCHSTC has not added any services and the submission of the 471 for FY07 would mirror the 471 for FY06. The only changes would be the dollar amounts. USAC has continued to tell me for the past year to wait for an Out of Window Letter to file an appeal, but on my recent call they instructed me to file a request to the FCC to have the filing window waived so our Form 471 can be processed.

Sincerely,

Joanne N. Hughes
Director of Technology
